REQUIRED SIGNATURES

Students must have a full schedule that includes at least 5 credit bearing courses. The Master Schedule is built based upon requested classes, so if a requested course is in the student schedule, change will not be permitted. Signing below indicates you are requesting these classes. If placed in one of these classes, you will not be allowed to change. If you do not request the needed number of classes and alternates, you will be placed in classes based upon available space with no option to drop.
