AT THE BOTTOM OF THE GRAND STAIRCASE.**

**\*CAP & GOWN SESSIONS: \$27 SESSION FEE  
& ONLY AVAILABLE IN JUNE & JULY!**

# WHAT TO WEAR

HERE ARE SOME TIPS TO HELP YOU PREPARE FOR YOUR SENIOR FORMALS

## LADIES

- **Undergarments**- The drape gives a formal off-the-shoulder dress appearance. Please consider a strapless bra. We have tube tops for modesty.
- **Makeup**- Should be natural to only slightly heavier than normal. All yearbook images are lightly retouched, and heavier retouching can be purchased if desired. Don't worry about any breakouts that day!
- **Hair**- Avoid cutting, choosing a new hairstyle or color right before your session.
- **Jewelry**- We provide the pearl necklace, but you should choose earrings that will match this classic style.
- **Sunburn/tanning**- Sunburns and peeling are not attractive in portraits so avoid taking skin chances around picture time.
- **Cap & Gown Sessions**- Bring a nice dress (white looks great) and any prop from a sport or activity. If wearing a dress, bring a pair of pants for the drape portion if your dress can't be pulled off the shoulder.

## GENTLEMEN

- **Clothing**- Please wear a plain white t-shirt to be worn under the tuxedo shirt. We have dress shirts & a variety of ties in SCHS colors for the cap & gown images.
- **Shaving** - Please make sure you are clean -shaven or facial hair is neatly trimmed.
- **Skin**- Yearbook images are lightly retouched, and heavier retouching can be purchased if desired. Don't worry about any breakouts that day!
- **Hair**- Be careful of changes right before your session. Bleached hair does not look as good in photographs. If you are going to get your hair trimmed, do it a week before your session.
- **Sunburn/tanning**- Sunburns and peeling are not attractive in portraits so avoid taking skin chances around picture time.
- **Cap & Gown Sessions**- Bring any prop from a sport or activity, and wear a shirt and tie of your choice or choose from our selection.
